By-Laws Proposed Change: Below is the current section to #2 to be added to:

Article III. Membership

Section A: Eligibility and Category of Membership

- 1) **Eligibility:** All persons interested in cycling are eligible for membership.
- 2) **Category:** The category of membership shall be household, defined as an individual or group of people with the same mailing address. Only those persons listed on and signing the application shall be considered members. Those under 18 years of age within the household must be accompanied by an adult member of that household at all activities.

This section is the additional proposed change to be added:

- 3) **Bike Shop Memberships:** Any bike shop that is a participant in the Sound Cyclists Bike Shop program will be granted 2 complementary employee memberships annually. For purposes of clarity, any shop with multiple locations will be granted 2 employee memberships per location.

Accept Reject
